NOTES

Team Match Play is rolling along. Matches have been extremely competitive with most coming down to the last hole or two. Going forward, teams in the winners bracket will have more time between matches while teams in the losers bracket can expect to play every 3-4 weeks at a minimum. Please make sure to get each match played within the allocated time posted on scoreboard.

Carolinas Interclub Teams are doing well. The Senior Team got their first win of the season against Cleghorn on May 16 while the Regular Team picked up a rare road victory against Silver Creek on May 21. Current records are SENIORS 1-1 & REGULAR 2-1.

Summer has arrived. Temps are heating up and days are getting longer! Hopefully you're able to take advantage of the longer daylight hours to get in some golf!

See you on the course!

JODY

"Golf is a game of inches. The most important are the six inches between your ears."
