NOTES

Feeling thankful that LCC survived Hurricane Helene with minimum disruption to operations. So many of our friends and neighbors are dealing with devastating loss. The pictures and videos from our western counties are heartbreaking and put life in perspective. The LCC family is working to help these folks. Please see details on the following page and if you feel led to donate, it will be so much appreciated!

Congratulations to our 2024 Men's Club Champion Keith Reeves! Nice playing to win your 4th LCC Club Championship!

If you keep a GHIN handicap, you might have noticed the course rating and slope has changed when posting your scores. In accordance with USGA guidelines, rating, slope, and yardage should be updated every 8 years and we were recently updated. When we get new scorecards, the new ratings will be listed as well as updated stroke allowances (handicap). If anyone has any questions about this, please let me know.

October is a busy month for tournaments at LCC. The **Men's Senior Club Championship, Ladies Club Championship, Member Guest, and Night Golf Tournament** are all scheduled in the next few weeks. Details are below and you can sign up for any of these tournaments in the golf shop.

We are hosting a fitting day for Cleveland/Srixon on Wednesday, October 14 from 12-4. If you would like to schedule a fitting, please contact me to do so. As always, there's no cost or obligation to buy, just a great way to try out some new clubs and get a custom fitting!

SAVE THE DATE....

Bubba Open Tournament November 16-17
Details coming soon!

See you on the course!
