NOTES

Spring is in the air and the days are heating up. The golf course is in good condition and keeps getting better. Thanks to Gerry and crew for their long hours and hard work!

We will be starting our regular weekly maintenance schedule soon. The course will typically be closed **most** Tuesdays from 10:00 a.m. -1:00 p.m. for verticutting, topdressing and other scheduled maintenance. The driving range will be closed **most** Thursdays for mowing from 8:30 a.m. until around 12:30 p.m. We apologize for any inconvenience. These schedules are subject to change without notice due to changing circumstances.

As of this writing, there are still time slots available for the Taylormade Fitting Day on May 11. Come try all the new Taylormade equipment and get a tour level custom fitting at no charge to you! Appointments are required. Contact me to schedule.

We're excited to host the NC High School 1A Western Regionals here on Monday, May 8. Can't wait to watch these kids play and hopefully get a few local schools qualified for the state championships the following week!

Snack Bar has started serving breakfast on weekends from 7:30-10:30. Eggs, bacon, sausage, liver mush, grits, biscuits, gravy, & toast! It's good eating...Come give it a try!

See you on the course!
