NOTES

Greens aerification was on July 13. Greens are recovering nicely and by the time you receive this, they should be back in great shape!

July is typically a slower month at LCC due to greens aerification, folks on vacation, etc. but we anticipate a busy late summer/fall season. Be sure to call for tee times and to sign up early for any club events.

Get your game in shape....

Men's Club Championship is coming up Labor Day weekend, which is only a few short weeks away. Now taking sign ups in the golf shop!

Taylormade has some new product being introduced in September. With this in mind, we're planning another fitting day in the fall. We will let you know as soon as we can confirm date and time.

See you on the course!

JODY

"The road to success is always under construction."

– Arnold Palmer
